Dear Vicki and Jimmy,

The flights home were just perfect. I had lunch on the way to Chicago, and lunch again on the way to Seattle. It was snowing in Chicago. Aunt Stella met us in Seattle and it was raining and continued but the weather is sunny and beautiful today and my flowers are blooming. I have been clearing out things, such as toys and will bring the outgrown toys up to see at the cabin as we plan to go up this Tuesday. They haven't paid the rent for February and it will soon be due again for March.

Ruthie and Jack and the children will be coming back there in June as soon as school is out. I hope we are there then in our apartment, altho my house looks pretty good to me. We think it will be fine to move for one year and plan to put our house up for rent right away for \$550.00 a month. We will

each drive a car back. I wonder
where I will end up if I lose
track of Dad along the way.

Jesus will store my good
things that I will leave behind.

We had such a good time with
you and we really think it would
be good for us to do something a
little out of the ordinary. Harold's
Mother Bell is 87 and is on her way
to the Virgin Islands and a cruise.

Our sister Deane is getting along
fine in pre school and with her
friends in the neighborhood.

Thank you for every thing.

Love,
Moms.

I am still on Wash. D.C. time as
I wake up every morning at five
o'clock so consequently go to bed
early. — Dad was able to get his
contact the very next day.
